There is approximately 5 miles (beginner, intermediate, and advanced) of trail at West Lake Marion Park (just south of Casperson Park).

The trail is professionally built in conjunction with volunteer work from the local non-profit 501c3 Lakeville Cycling Association (LCA).

LCA is seeking volunteer support from the local community and individual contributors.

Contribution can involve; trail work, community awareness, monetary, or new initiatives.

Special Thanks to the following volunteers:
Todd Aguilar, Brian Cieluch, Lowell Coleman, Ron Eckerson, Pete Kennedy, Steven B. Knowlton, Brent Kvittem, Rob Legler, Dustin Roberts, Larry Sauber, Ted Siefkes, Clint Swenson, Dan St. Onge, Brenen Thule, Joel Zak

A number of local residents (volunteers) have been working with Lakeville Parks and Recreation and the city council to promote cycling in the Lakeville area. We all felt that a city of +60,000 people should have a trail to ride off road safely and legally. Prior to 1990 Ritter Farm Park was available, but since then there hasn’t been access to any park in Lakeville to ride off road.

The budget to build the trail (including trail map plan, survey, signage, etc.) is an estimated cost of $100,000. Our newly formed group LCA (Lakeville Cycling Association) raised $20,000 for the project (anything over that amount will go to further enhance the trail project).

**WE NEED YOUR HELP** to continue to enhance the new trail and sustain this new feature for the future in our community.

**Please consider getting involved with LCA.**
This would not have been completed without volunteers partnering with the City of Lakeville to create this feature.

**Acknowledgement Arch**

To recognize “Builders of the Trail” there will be a permanent display at the trailhead. Individuals, businesses, service/community groups/ clubs, etc., that contribute to LCA Inc. (Lakeville Cycling Association a non profit 501(3)c organization will fall into the following categories:
